

**Site Operative Solutions Ltd**  
**Health and Safety Policy**

**Statement of Intent**

This safety policy is written in accordance with the **Health and Safety at Work Act 1974** and all relevant legislation, including the **Management of Health and Safety at Work Regulations 1999**.

It is the policy of Site Operative Solutions Ltd to ensure, as far as is reasonably practicable, the Health, Safety and Welfare of all its employees and all other persons who may be affected by its acts or omissions both on and off Network Rail Sites (E.g. members of the public Network Rail staff and other contractors)

Including

- Placing Health, Safety and Welfare in the highest category of management's reasonability
- Promoting safety awareness among all employees through ongoing training and briefing sessions
- Encouraging all employees to involve themselves with the company's philosophy regarding Health and Safety
- Provide the effective control, monitoring systems and review of the measures arranged for the policies and procedures adopted by the company.
- The Company undertakes to:
- Provide a safe place of work for all its employees and other persons on the company premises
- Ensure the safe use, handling, transportation and storage of substances
- Provide suitable and adequate information, instruction, supervision and training
- Provide safe systems of working
- Provide safe access and egress from its premises

Mr Ray Higgins Managing Director, has overall responsibility for Health and Safety, and fully supports the contents, and implementation of this policy.
